

PONTIFICIUM CONSILIUM
PRO LAICIS
600/14/S-61/B-65

Vatican, 6th June, 2014

Dear Sir,

We have received your letter dated 6th May 2014, wherein you presented the list of Bishop candidates for the post of Ecclesiastical Assistant of the International Forum of Catholic Action (IFCA), following the termination of the term of office of H.E. Mgr. Domenico Sigalini, Bishop of Palestrina.

Having considered the unanimous agreement of the members of the Secretariat as regards the choice of candidate and taking into consideration Art.5 of the IFCA Normative Document, we are pleased to inform you that the Pontifical Council for the Laity has the pleasure in nominating H.E. Mgr. Mansueto Bianchi, Bishop of Pistoia, as the new IFCA Ecclesiastical Assistant.

While we extend our heartfelt thanks to H.E. Mgr. Sigalini for having been such a precious guide for Catholic Action and for having accompanied IFCA members spiritually during these years - as he was not exempted from this pastoral commitment in spite of the number of health problems which he has had to face - , and wishing the new Ecclesiastical Assistant fruitful work at the service of the Forum members, we send our warmest greetings in the Lord.
