

N. 5 – 31 July 2019

**Together with Pope Francis**  
**World Day of Prayer for the Care of Creation**  
**1<sup>st</sup> September 2019**  
 We reaffirm our personal and communitarian vocation to be stewards of creation.

The defence of life implies the defence of the territory and its resources or natural goods; it also implies defending the life and culture of its peoples, strengthening their organisations, the full enforceability of their rights, and the possibility of being heard.
