*I leave you with the words of the Prophet Isaiah, in the hope that they will provide you and your respective communities with hope and strength. Witnessing the destruction of Jerusalem after the exile, the prophet did not fail to look forward to a future of peace and prosperity: "They shall build up the ancient ruins, they shall raise up the former devastations; they shall repair the ruined cities, the devastations of many generations" (Is 61:4). This is the work the Lord entrusts to you on behalf of this beloved Mediterranean region: to restore relationships that have been broken, to rebuild cities destroyed by violence, to make a garden flourish in what is now a desert, to instil hope in the hopeless, and to encourage those caught up in themselves not to fear their brothers or sisters. And to look upon this [sea], which has already become a cemetery, as a place of future resurrection for the entire area.*
