#PrayForTheWorld

A space to share this difficult time of the pandemic with Pope Francis, in the Holy Land, in our countries, with our bishops in our dioceses and parishes, in our families. The "creativity of love" challenges CA to prayer, fraternity, solidarity, reflection. Social media help us keep contacts alive and grow in the faith, in the communion, in the friendship. We look forward to receiving materials to integrate from you.

“From Mary we learn the inner silence, the gaze of the heart, the loving faith to follow Jesus on the way of the cross, which leads to the glory of the Resurrection. She walks with us and supports our hope.”
