*The personal encounter with Jesus Christ is possible also for us, who are the disciples of the third millennium. In our effort to seek the Lord's face, we can recognize him in the face of the poor, the sick, the abandoned, and the foreigners whom God places on our way. This encounter becomes also for us a time of grace and salvation, and summons us to the same mission entrusted to the Apostles.*

**HOLY MASS ON THE ANNIVERSARY OF THE VISIT TO LAMPEDUSA 8 July 2020/2013**
