

N. 2 – 26th April 2018
“A YEAR AFTER”

A year after the meeting in Rome with Pope Francis on the 27th and the 30th April 2017, an important milestone in our history, we are getting back to you with this Newsletter.

In the name of the IFCA Secretariat and of the world CA we would like to renew our gratitude and to continue treasuring the Pope’s warm reception and message and the faces of the representatives of over 50 countries who attended the Congress on CA, the Assembly and the Italian CA 150th anniversary celebrations.

Through the 2017 Newsletter and the 2018 _1, we have informed you about the activities held this year: the first and the second meetings of the Secretariat and two country meetings in Albania and Bethlehem. We are also participating actively in the preparations for the Bishops’ Synod through our Youth Coordination Group. This will be the theme in the next Newsletter which be issued in May.

In this “a year after” Newsletter you will find:

- 1 - A new presentation of IFCA to be printed A3 or which can be seen in a minute
- 2 - The material translated into the 4 languages, available up to now. We are preparing a printed version of the Documents, an eBook which can be referred to on line and a subtitled video of complete speech of Pope Francis
- 3 - CA and Pope Francis’ Magisterium. Booklets by IFCA Secretariat.

Let us together keep moving forward and sharing this stretch of road after April 2017.
