## Road to Sustainability Trip around Hungary

In collaboration with the National Council for Sustainable Development (NCSD) we will visit mayor Hungarian cities to speak from the 3<sup>rd</sup> Progress Report of the National Sustainable Development Framework Strategy created by the NCSD.

Based on the successful crisis management after the 2008-2009 crisis and the results of the subsequent growth round, this 3<sup>rd</sup> Progress Report proposes a **sustainability turn** (revolution) for Hungary in line with Pope Francis' urgent appeal for a new dialogue about the future of our planet.

Do not forget to meet with us in September 2021
