

“Laudato si” in Ukraine

In Ukraine since 2007 A.D. was founded the Bureau of the Ukrainian Greek-Catholic Church on Ecology Issues for forming a responsible attitude of the faithful to God's creation – nature; and also for increasing of environmental awareness in society through informational and educational activities and practical initiatives for preservation of God's creation.

“Laudato si” in Ukraine

The Commission of the UGCC on Laity

Our Commission starts to learn more precisely Church’s documents with faithful.

- August 2019 – the Summer school for leaders of lay communities (*the teacher was Maria Giovanna Ruggieri from Italian CA*)
- December 2019 – training “The studying and using the documents of the Church for the formation in lay communities”.
- October 2019 – The meeting of the **Youth of Black Sea Agora** with the theme inspired by Pope Francis post-synodal exhortation **CHRISTUS VIVIT: «IN FRIENDSHIP WITH CHRIST, IN FRIENDSHIP WITH ALL PEOPLE»**
