“As your pastors, we call for a continuing ecological conversion in all our Metropolitan Provinces, Dioceses, Parishes and Basic Ecclesial Communities — to discern the issues and actively care for the earth in personal, communitarian and institutional levels.”

Therefore, the **CBCP- Episcopal Commission on Lay Apostolate (CBCP-ECLA, Laiko)** endorses to you the Season of Creation 2020 and encourages the different Diocesan Councils of the Laity, National Lay Organizations and other Lay Institutions to promote and celebrate this in your different Dioceses, Parishes and Organizations.

A more detailed program of activities and liturgical resources will be proposed and circulated soon by the GCCM-Pilipinas and Partner Organizations for our common use, which may also be properly contextualized in your respective localities.

We thank in advance the **Global Catholic Climate Movement-Pilipinas and Partner Organizations** for their dedication in calling everyone to a collective response to care for our common home.

Sincerely yours,

Bishop Broderick S. Pabillo, SDB, D.D.
Chairman, CBCP-ECLA
