The Jubilee of the Earth for a more just, peaceful and sustainable world to which Pope Francis calls us invites us to think of others, especially the poor and the most vulnerable.

We are asked to re-appropriate God's original and loving plan of creation as a common heritage, a banquet which all of our brothers and sisters share in a spirit of conviviality, not in competitive scramble but in joyful fellowship, supporting and protecting one another. A Jubilee is a time for setting free the oppressed and all those shackled in the fetters of various forms of modern slavery, including trafficking in persons and child labour." (WORLD DAY OF PRAYER FOR THE CARE OF CREATION. Pope Francis 1/9/2020)
