- Thanks to all the members of the Pio XI Foundation and the Secretariat, the coordinators by age and the continental coordinators.
- Thank you Cardinal Porras, Silvia, Beatriz, Franc, Jorge, Silvia, María Grazia, mons. Félix Machado and Father Félix, for their testimonies.

A particular memory in this year of the centenary of the birth of Blessed Lolo Garrido, and of the Servants of God, Cardinal Eduardo Pironio and Enrique Shaw.

As the Pope does in Fratelli Tutti, we also express our respect for "other exemplary brothers who are not Catholic: Martin Luther King, Desmond Tutu, Mahatma Gandhi and many others"

During the celebration of the Mass for All Saints in 2015, Pope Francis told us: The Beatitudes are the way to holiness and happiness, "this is the way of holiness, and it is the way of happiness itself. It is the path that Jesus traveled, ... Let us ask the Lord for the grace to be simple and humble people, the grace to know how to cry, the grace to be meek, the grace to work for justice and peace, and above all grace to allow ourselves to be forgiven by God to become instruments of his mercy. So have the Saints, who have preceded us in the heavenly homeland. They accompany us on our earthly pilgrimage, they encourage us to go forward. May her intercession help us to walk in the path of Jesus, and obtain eternal happiness for us ...

Greetings, and God willing we will meet again on Thursday, November 26, where we will address the challenge of the Global Educational Compact.

Praise Jesus Christ!
