- Seminar

We have to learn a lot to have good practices in faith.
So that we did a quarterly seminar in the parish.

- Assembly

Assembly is the best way to show the unity of the member.
That is why we held CA annual Assembly to shape unity.

Priorities

- We Prioritize the basic need of the church and standing as a community of the church.
- Catholic Action has been a pioneer in missionary work.
- Many year ago, Catholic Action has been a milestone for missionaries. So that the church has become reliable. Catholic Action stood as a pillar for the church. It was called in Myanmar “ Kaing Kyun Mhi – Kyun Kaing Mhi” the meaning is “ Interdependence “
- We believe that the love of Christ can be shaped between the Catholic Church and us.
