Lei Lei WIN, CA Myanmar

Thanks to support of IFCA, we are now able to meet and share with CA members all over the world. Other CA members were unable to attend the 30th Anniversary of IFCA due to ongoing political conflict. They want to participate in this event but they could not participate because they were fleeing the war. However, I would like to say "Congratulation to the 30th Anniversary of IFCA".

Thank you very much for your time.
